COMBINA NUESTROS PRODUCTOS PARA CREAR TU PROPIO LOTE

La tradición de regalar las cestas de Navidad se popularizó en el siglo XX, pero sus orígenes están en el Imperio Romano, cuando un señor empezó dando a sus trabajadores una “sportula” que incluía comida. Tu puedes continuar con esta tradición ofreciendo cestas que contienen delicados aceites de oliva, el mejor queso, jamón Ibérico exquisito, dulces y membrillos... de los mejores productores españoles cuidadosamente seleccionados para ti por Mariscal&Sarroca.

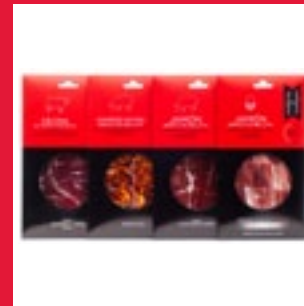

SELECT THE PRODUCTS OF YOUR CHOICE TO MAKE THE PERFECT GIFT PACK

The tradition of giving hampers for Christmas became widespread in the 20th century, but it originates in the Roman Empire, when the employer used to give their workers a ‘sportula’ which included several foods. You can continue with this tradition offering your loved ones a hamper that contains the most delicious olive oil, the best cheese, top quality Iberico Jamon, sweet and delicate quince paste... from the best Spanish producers carefully selected for you by Mariscal & Sarroca. Choose the perfect hamper and have a perfect Christmas.
